"SEVEN CHANCES" PROVES SUCCESS

Discloses New Talent In Initial Performances

Final Appearance Of Many Actors—Considered Best Production Of Year—To Be Given Again During Commencement

In its presentation of Roi Cooper Magrue's play, "Seven Chances", on the evenings of June 2 and 3, Mask and Dagger reached heights of excellence in dramatic production which compare favorably with any previous successes staged by the society on the local stage. To crowded houses the piece was played admirably and with technique favorably comparable to the best amateur work done anywhere.

Catherine Grady, of the graduating class, held the feminine lead, as "Anne Windsor", playing opposite John Fleming, '29, as "Jimmie Shannon". The lines of the play called for some situations which, if done improperly would easily become farcical, contrary to the purpose of the author. The transitions of these two actors from the serious to the ridiculous, were done with a smoothness which is really commendable.

Harry Page, as "Billy Meekin", presented a sincere and finished portrayal of "Jimmie's" henchman. This is Page's last appearance in Mask and Dagger's productions and his final impersonation was one of his best.

William Hoagland, '27, as "Mr. Garrison" irritated husband and clubman, gave an excellent and vigorous presentation, as did Gwendolyn Jones '27, playing "Mrs. Garrison." With the graduation of Miss Jones, Mask and Dagger loses a valuable character actress. Paul Blaisdell, '29, as "Earl Goddard," Charlotte Hirschner, '29, playing "Lily Trevor" and Elisabeth Bauer, '29, as "Irene Trevor," were genuinely good. Mr. Blaisdell possesses the rare quality of being natural before the footlights, Miss Bauer has the ability to adapt her own personality to her part, and Miss Hirschner the finesse and stage deportment of an actress. It certainly was not obvious that it was her first appearance on the University stage; she gave one of the best presentations in the production.

Other members of the cast were: Celia Williams, '29, as "Peggy Wood", who uses a bass voice in her wooing, Ruth Stolorworthy, '30, who is innocently flabbergasted in her part of "George Garrison"; Frank Horne, who plays "Ralph Denby", the super-Englishman; Ralph Garlock, as "Joe Spence," who presented his role admirably and rendered the best musical number on the program; Florence West, '30, as "Florence Jones," who strides after romance; Grant Galumian '29, as "George" the waiter; "Betty Willoughby", Eleanor Harris and "Marie Middleton", Ruth Phelps, '29. Mask and Dagger should wait until it possesses a deeper and more remote stage equipment before incorporating music in its productions; in the Murkland Theatre this should be feasible.

The play will be presented, as the final performance, in the gymnasium, on the evening of June 18, during Commencement.

FRENCH CLUB HOLDS ANNUAL BANQUET AT THE COMMONS

Members of the French Club held their annual banquet at the Commons Monday evening. Dr. Hamilton Ford Allen, head of the language department, was the guest of the evening.

FRATERNITIES VOTE FIRST TERM RUSHING

First term rushing will be in effect next year, according to the result of the vote taken in the Casque and Casket meeting last Monday night in "T" Hall. There has been much discussion among the members of Casque and Casket, as to whether first or second term rushing is preferable, but the fraternities voted Monday night, by a vote of eight to six, to have the former.

By this plan, rushing will begin on Registration day, and will last for two weeks. A committee has been appointed to draw up the rules, and they will be voted on at another meeting of Casque and Casket tonight. The rules will probably be much the same as in preceding years, and will undoubtedly be adopted at the meeting, according to Lester Brooks, president of the society.

PRESIDENCY FOR PROF. JACKSON

Zoology Head To Lead N. H. Academy Of Science

Elections Held At Annual Meeting Of Society At Waterville Inn—Professors O'Kane and Woodward Give Addresses

Professor C. F. Jackson, head of the Zoology department of the university, was elected to the presidency of the New Hampshire Academy of Science at its annual meeting held at Waterville Inn, Waterville, N. H., last week-end. Prof. Jackson will assume the duties of office immediately in the place of retiring president Segerblom, head of the Chemistry department at Exeter preparatory school. The new president also is a member of a number of scientific societies which are nationally famous. He is an officer in the American Ecological Society and a member of the American Society of Mamologists.

The meeting of the Academy of Science is an annual affair and there are present at its sessions representatives from various schools and colleges of the state, mill technicians and the heads of the state departments from Concord. Prof. O'Kane of the Entomology department gave an illustrated lecture Friday evening on "The Lost Arctic" dealing with the region above the timber line in the Presidential range of the White Mountains. Prof. Karl Woodward of the Forestry department lectured on "Comparison of Productivity in the Northeast and Southeast." Both men were leading speakers on the program which consisted of lectures on various scientific subjects.

The convention took place over a three day period from Friday until Sunday during which time the members of the society spent their hours of recreation on the golf course behind the Inn and in hiking over the hills of the region. One field excursion was held Saturday afternoon when the attenders of the conference investigated the mountains and the surrounding territory. Friday and Saturday evenings were spent in the reading of papers by various members of the Society.

Those who attended from the University of New Hampshire were:—Prof. and Mrs. C. F. Jackson, Dean A. N. French of the college of liberal arts, Prof. and Mrs. Woodward, Miss Edith Tingley, Miss Dorothy Smith, Mr. Don Barton, Mr. George White, Mr. H. H. Bliss, Prof. Esther Brown, Margaret Torrey '28, Mr. Albert Pillsbury, and Mr. K. E. Barraclough of the Extension service.

ALUMNI ELECT NEW DIRECTORS

New Hampshire Graduates Chose Six Board Members

New Governing Body Composed of C. H. Wood, '80, H. A. Rollins, '23, Mrs. Margaret DeMerritt Croghan, '11, W. P. Davis, '12, Chris O'Leary, '20, and G. A. Perley, '08

The results of the alumni balloting for alumni members to the Board of Directors of the New Hampshire Alumni Association have been announced by Howard A. Rollins, secretary-treasurer of the association. The six members elected by ballots were Charles H. Wood, '80, and Howard A. Rollins, '23, for three year terms; Mrs. Margaret DeMerritt Croghan, '11, and Wendell P. Davis, '12 (2-yr.), for two-year terms; and Chris O'Leary, '20, and George A. Perley, '08, for one-year terms. The remaining three members of the Board will be chosen on June 18 by delegates of the various alumni chapters throughout the country, known as the Advisory Board which meets here on Alumni Day at Commencement time.

As soon as the three additional members are elected to the Board, the Directors will organize by electing a president, two vice presidents, and a secretary-treasurer from among its membership, these officers having terms of one year until 1928 when new officers will be chosen from the Board of Directors.

The newly elected members have been prominently identified with the alumni affairs of the University, several of them serving terms on the old alumni council which was abandoned in favor of the new Board of Directors. On the new board is Charles H. Wood, '80, who is president of the H. P. Hood & Sons Milk Company in Boston, being personally responsible for the rapid development of the business during the past twenty years. Mr. Hood was awarded the honorary degree of Doctor of Science by New Hampshire College in 1915, and is the donor of the Hood Achievement Prize, the Hood Dairy Prize, and the Hood Supplementary Bequest to the University.

Howard A. Rollins, '23, the second member elected for three years with Mr. Hood, has served as secretary-treasurer of the Alumni Association from 1925 to the present time, and is connected with the extension department of the University.

Mrs. Margaret DeMerritt Croghan, '11, was a member of the Alumni

VARSITY MEETS BROWN AND CONN.

Two Day Trip To Conclude Baseball Season For 1927

Lineup Not Yet Definitely Decided But Coach Swasey Expects to Start Either Slayton or Evans on the Mound

The University baseball team entered on its last two-day practice here yesterday before the final games of the 1927 season which take place during a two day trip tomorrow and Saturday, at which time the Wildcats meet the Connecticut Agricultural College and Brown University ball tossers. Although the Blue and White defeated both of these schools in basketball this winter, there still remains the matter of defeats at the hands of both in football last fall to be wiped out and the Wildcats will try to get the best of the records for the year's contests. Coach Henry Swasey has not announced his pitching choices for the two games, but it is expected that he will start Foster Slayton of Barre, Vt., and Lloyd Evans of Wentworth in the games as these boys have proved themselves dependable hurlers for the past two seasons. Both will have had a week's rest when the week-end games come.

The New Hampshire team suffered from an epidemic of errors Saturday and lost to its old rival, Tufts, whom it had defeated earlier in the season, by a 12-0 score. Both Evans and Slayton pitched in this game and, although they allowed few hits, the Wildcats never had a chance to win.

It seems improbable at this late date that Coach Swasey will change the lineup for the two final games of the year, although he may decide to play a new man at first base where there was some trouble Saturday. The lineup for the last few games has been Wilford French of Sanbornville, catcher; Alfred Rheinhardt of Dorchester, Mass., first base; Herbert Hatch of Sanbornville, second base; Ray Hoyt of Plaistow, third base;

(Continued on Page 4)

MINOR CHANGES IN POINT SYSTEM MADE

Changed By Student Council—Full List In Freshman Handbook—No Points For Orchestra Work Now

At a recent meeting of the Student Council it was voted to make some minor changes in the Student Activity Point System. The points will be the same as the list published in the Freshman Handbook, with the exception of the following changes. "Granite" Board Member, five points; Social Committee, three points; president of French Club, three points, secretary and treasurer, two points; president of Book and Scroll, three points, secretary and treasurer, two points; president of Phi Sigma, five points, vice-president, two points, secretary and treasurer, three points; president of Phi Lambda Phi, five points, vice-president, two points, secretary-treasurer, four points; Mask and Dagger, president, three points, secretary, two points, treasurer, three points; Delta Chi, president, three points, secretary-treasurer, two points; Tau Kappa Alpha president, three points, secretary-treasurer, two points; Iota Chi president, three points, secretary, two points, treasurer, two points; New Hampshire Reporters, five points; Secretary of the Senior class, five points, secretaries of the junior, sophomore and freshman class, three points each. Members of the orchestra will receive no points instead of the five they have received in the past.

COMMENCEMENT BALL SECRET

Morey Pearl's Orchestra To Furnish Dance Music

Pettee-Scott Reception To Start Week—Dr. Charles Brown and Bishop John T. Dallas Main Speakers

Morey Pearl's seven piece orchestra will play at the Commencement Ball June 1, according to an announcement made by Elroy Chase, '27, who is in charge of arrangements. Unique decorations have been planned and the guests will be presented with favors, neither of which have been disclosed. The affair is purely invitational and is open only to seniors and to members of the class of 1926.

The Commencement ball, which starts at eight-thirty, will follow the Pettee-Scott anniversary which will be held in the Faculty Club. The reception will be held in honor of Dean Charles H. Pettee and Dr. Charles Scott, the oldest members in the point of service on the entire faculty.

Dr. Charles R. Brown, dean of the Yale Divinity school, and the Right Rev. John T. Dallas, Bishop of the Episcopal diocese of New Hampshire, will be the main speakers on the program of the Commencement week of the University, according to Dean Frederick W. Taylor, who is in charge of the arrangements. The Baccalaureate sermon will be given by Bishop Dallas on Sunday, June 19. Dr. Brown will give the final address at the time the degrees are awarded on the morning of Monday, June 20.

Saturday, June 18, will be Alumni and Class Day. On this occasion the alumni of the University officially get together and several hundred of the graduates are expected to attend. The program for the day will consist of a meeting of the Alumni Advisory Board, a free-for-all baseball game between a team selected from the faculty and alumni and a team selected from the senior class. This will be followed by reunion class luncheons and the Class Day exercises of the Class of 1927 on the campus. At this time Miss Alice Osgood of Pittsfield will give the Ivy Oration. At four-fifteen the annual alumni meeting will take place in the Faculty Club, which the graduates will make their headquarters. A memorial scholarship fund, presented by the Class of 1925, will be officially accepted at this time. The Alumni banquet for the several hundred visitors will be held in the University Commons building at six o'clock and at eight-thirty Mask and Dagger, the University Dramatic Society, will present David Belasco's famous production, "Seven Chances," in the Men's Gymnasium. President Edward Morgan Lewis,

STUDENTS ANSWER "GRANITE" BOARD CALL

Twenty-eight Heelers Signify Intentions Of Working For Publication Of 1929 Year Book—Start To Be Made During Summer

The financial problems of the publication of the Junior Yearbook for 1927-28 were discussed at a meeting of the 1929 Granite board, Wednesday evening, June 1. Plans for advertising and the organization of the heelers were considered. One member of the Board will have charge of the heelers, and it is expected that this arrangement, coupled with the early start obtained by organizing now instead of waiting until the fall term, will expedite the work.

Twenty-eight students answered the Granite board's call for heelers by assembling in the Zoology lecture room, Thompson Hall, Friday evening, June 3. McLean Gill, manager of the 1927 Board, stressed the importance of advertising in a brief speech.

A second healer's meeting will be held Friday evening, June 10, at 7 o'clock in the Zoology lecture room and it is imperative that all those who wish to be heelers should attend according to Charles Johnson, editor of the Granite.

ANNUAL R. O. T. C. CAMP ENJOYED AT NASHUA

Gate City Chamber of Commerce Pleased With Military Encampment of Student Soldiers, According to Letter Received by Major Pitz

The Nashua Chamber of Commerce in a recent letter to Major Hugo Pitz, head of the military science department, expressed the satisfaction of the Nashua citizens with the annual military encampment of the University held in that city from May 23 to 25, looking forward to a revisit of the New Hampshire R. O. T. C. unit next year in Nashua. Major Pitz in a previous letter to the president, Mr. W. F. Sullivan, had thanked the Chamber of Commerce for the hospitality given to the R. O. T. C. during its encampment in Nashua by both the Chamber and the Nashua citizens.

The letter from the Nashua Chamber of Commerce to Major Pitz, signed by its secretary, Mr. Jerry J. Haggerty, is as follows:

H. E. Pitz,
Professor of Military Science,
University of New Hampshire,
Durham, N. H.
Dear Major:
I have your kind letter of appreciation of May 27, and will convey your expression to Mr. Sullivan, Capt. Lawrence, and others.

I can assure you that your visit here with your student soldiers was enjoyed by the Nashua public as well as yourself and the students. In fact, it was such a grand success that I am looking forward to a return engagement here next year.

Kindly convey my best wishes to Mrs. Pitz, Captain and Mrs. Pettee. Cordially yours,
Jerry J. Haggerty,
Secretary.

PLEDGING NOTICE

Tri Gamma fraternity announces the pledging of Henry M. Smith, '30, of Dover, N. H.

C. Ned Elliott, '28, of Contoocook was elected president of the Student Council and William Dane, '28, of Salem, Mass., president of the Athletic Association, by a vote of the student body of the University held last Friday. The announcement was made Saturday by John Neville, '27, and Furio Abbiati, '27, presidents of the two organizations for the past college year. The new officers will go into office next September at the beginning of 1927-28 year.

In the case of the Athletic Association officers the entire student body voted, but for the first time in Student Council elections only the men students cast ballots, since the women belong to the women's student governing association which is a separate institution.

Elliott has served as editor of the 1928 "Granite," the year book put out by the junior class. His term of office expired when the book appeared on the campus last month. He was recently elected to Senior Skulls, the honorary senior society, and president of the Phi Mu Delta fraternity and a member of the varsity baseball squad. The other officers are as follows: Vice-president, Clayton Allsworth, '29; secretary, Dana Cotton, '28; treasurer, Russell Hobbs, '30; junior member, Lloyd Atwood, '29; and senior members, Frederick Mitchell and Edward Necker.

William Dane is captain-elect of the Wildcat football team for the 1927 season, having played end on the team this past fall. He is also a member of the Senior Skulls and is a member of the Kappa Sigma fraternity. The following were elected officers of the Athletic Association for the coming year: Vice-president, Edward Necker, '28; secretary, Muriel Steeves, '28; student representative, Ralph Morrison, '28; faculty representatives, Professor Thorsten Kalijarvi and Professor George Perley.

An amendment to the Athletic Association constitution was passed and is as follows: A committee of three members of the faculty shall be appointed by the Executive Committee. It shall be the duty of this committee to pass on all athletic records made by New Hampshire athletes.

TENNIS TEAM WINS MATCH

Wildcats Take Three Singles and Two Doubles

Bowles, Craig, Roberts, Symonds, and Brown Play Last Match for New Hampshire—Win First Match of Season

The Wildcat tennis team, after having four matches which they were confident of winning, cancelled because of rain, won their first match by defeating Tufts last Saturday 5 to 1. New Hampshire ran away with the meet, winning three singles and both of the doubles.

Roberts, the number one man on the New Hampshire team, had some difficulty in disposing of his man, in the first set Schiller started by capturing the first three games. Roberts came back to win his own serve and that of his opponent, but Schiller again forged ahead by winning his own serve. Roberts finally captured the set 7 to 5. He had trouble with his drive throughout this set. The second set was a runaway for Roberts. He was supreme in all but one game; playing brilliantly to win the set 6 to 1.

Craig, number two, defeated Golden in straight sets. He won the first set easily, 6 to 4; displaying a wonderful drive and good serve. In the second set Golden came back, and at one time had a three game advantage on Craig, but Craig rallied and finally won the set at 8 to 6.

Bowles, number three, had the feature set of the match. His opponent, Stevens, was a left handed player with an assortment of soft chops and cuts. Stevens won the first set, 6 to 3. Bowles could not seem to get going, and the apparent easiness of his opponent's attack bewildered him. In the second set Bowles won a slight advantage at the start, but soon lost it. With the score at three all, Bowles displayed some fine net work to win the next three games and the set, 6 to 3. The third set started out in a deadlock, with each one winning his opponent's serve until the count stood

ALUMNI NOTES

CLASS OF 1921

"Al" Spinney has accepted a position as the head of the rayon laboratories at the Amoskeag Manufacturing Company, Manchester, N. H.

CLASS OF 1922

Margaret Marden Fitts has gone to York Beach, Maine, where she will spend the summer.

CLASS OF 1925

Irma Dunn is teaching English in the high school at Scotch Plains, N. Y.

Paul Tracey has accepted the position of teacher and coach at Pomfret, boys' preparatory school.

CLASS OF 1926

A. Armand Caron, who is a student at the H. P. Hood and Sons' plant at Cambridge, Mass., was on the campus last week-end.

Marion Hubbard was also a week-end visitor.

CLASS OF EX-1927

The wedding of John C. Marshall and Miss Wilma Dodge will take place at 24 Savory Road, Salem, Mass., on June 22. Miss Dodge was at one time the teacher at the Durham kindergarten. They will live at the Marshall poultry farm at Laconia, N. H.

CLASS OF 1927

Melville Taylor spent last week-end in Durham.

SENIOR SKULLS ELECT NELSON AS PRESIDENT

William P. Nelson, '28, was elected president of the Senior Skulls at a meeting of the senior honorary society held on Tuesday night. Other officers chosen for the coming year were Frederick Mitchell, vicepresident and C. Ned Elliott, secretary-treasurer.

Nelson is president-elect of the Kappa Sigma fraternity and served during the past year as head of Delta Chi, honorary mathematics society. He is also a varsity letter man of two years in soccer. Elliott is president-elect of the student council while Mitchell is a senior member next year of the men's student governing body.

ORIGIN OF THE WORD "NEWS"

Julius Caesar may be said to have founded the first "newspaper," but this was in the form of waxed tablets upon the surface of which the "Acts of the (Roman) Senate" were scratched with pointed tools by trained writers known as "tabularii." The Acts of the Senate gradually developed into a publication of general news, named "Acts of the City." But, even before the time of Caesar, the Egyptians and the Chinese referred to the word "news" in their literary works.

The word in English, however, has originated from various sources. Before the advent of printed newspapers, written messages and dispatches were carried from town to town by "news reporters" riding on horse-back. In course of time this system is said to have led up to the practice of posting important news items on boards in public places, such as the local inns, the "towne hall," the stations from which stage coaches departed, etc. According to historical notes in old English books, came the time when the written news items were pinned or pasted upon the bulletin boards under four different letter-headings as: N. E. W. S. Under the letter N "public occurrences" in the North part of the country were placed. Happenings in the East were reported under the E column. In the W column news from the West was given, while in the space under the S were placed reports from the South. Eventually, these four letters of the compass were joined together to form the word NEWS, as it is known today. And, from this word the compound word, Newspaper, was gradually formed.—Selected.

PAPERS READ BY STUDENTS AT PHI SIGMA MEETING

At the meeting of Phi Sigma, honorary zoological society of the university, held June 1, papers were given by the following: Anna Philbrook and Burdette W. Lyman, "Microbe Hunters"; Prof. Jackson, "Research"; Dorothy Smith, "Observations of Fresh Water Sponges of Wheelwright Pond."

The following officers were installed: president, Dorothy Smith; vice president, Margaret Torrey; recording secretary, Beulah Merrill, '28; corresponding secretary, Marguerite Pollard, '28; treasurer, C. W. French; sentinel, Mr. George White; marshal Burdette W. Lyman '28.

An overnight outing will be held at Hermit's Island, Great Bay, Saturday June 11.

JUNIORS DEFEAT SOPHS IN SECOND TOURNAMENT GAME

The juniors defeated the sophomore girls at baseball in the second game of the tournament Wednesday, June 1, with a final score of 14-7. The battery for the juniors, consisting of Castle pitching, and Philbrook catching, kept the sophs guessing for the first two innings, while the junior team piled up eight runs as a starter. In the third inning the sophomores came through with three runs, and in the last of the fifth, four more came in, two on a field error, bringing the final score up to seven, while the juniors had boosted theirs to 14.

Timmons continued her good work for '29 by striking out six of the

junior hitters. Castle's fast pitching featured for the juniors. Donovan scored three runs for '28 while Merrill, Milan, Daniels and Philbrook scored two. Pray, Fifield and Steeves scored once each. For the sophomores, Timmons and Huntoon each scored two and Block, Child and Record got one apiece.

The line-up follows:

Junior Catching—Philbrook
 Pitching—Castle-Merrill
 First—Daniels-Fifield
 Second—Griffin-Fifield
 Third—Steeves
 Short stop—Merrill-Castle
 Left Field—Milan
 Right Field—Pray
 Center Field—Donovan

FARMERS' WEEK HERE IN AUGUST

Mowing Contest
 Included Among Features
 On Program

Expect 500 Delegates To Attend
 Special Sessions During Week.

Dean H. L. Russell Of Wisconsin Scheduled For Principal Address

Annual Farmers' Week will be held at Durham during the week of August 15 to 20 in connection with the work of the extension service here at the University. Many new developments will be discussed at this meeting of the New Hampshire farmers. Groups of young farmers formed throughout the state are invited to attend the special session held during Farmers' Week.

The training school for local farm leaders will be expanded this year. This training school, which was an innovation last year trained about 150 club members. Camp Carlisle, which is held here every year during Farmers' Week, will draw 500 delegates from the various 4-H clubs throughout the state.

There will be special meetings for poultry men, fruit growers, dairymen and bee keepers. Special sessions on health, clothing and home improvement are to be held for the women.

Farmers' Week this year will start with a conference of the state newspaper editors while on the final day there will be a hand mowing contest for those who consider themselves proficient in the art of scythe-swinging. Miss Helen Bernaby, '30 who won the contest last year is expected to compete again this summer.

A new dynamometer which has been secured by the University through the cooperation of the state fair association will be used for the first time in the horse pulling contests.

Dean H. L. Russell of University of Wisconsin, one of the foremost authorities on agriculture in this country, is expected to deliver the principal address during Farmers' Week.

All students interested are urged to attend Farmers' Week and to tell others of the plans which are now under way. A complete program of events for the week will be sent to all those who communicate with J. C. Kendall, director of extension service work.

RESOLUTION

University of New Hampshire Alumni Class of 1910

Whereas, it has pleased the Almighty to remove from our ranks, our esteemed classmate, Charles E. Peel;

Therefore, Resolved, That in the death of Mr. Peel, University of New Hampshire Alumni, Class of 1910, has sustained the loss of a member of sterling worth;

That, we offer to his bereaved family and friends our heartfelt condolence.

Resolved, that these resolutions be spread upon the records of the Class; a copy presented to the family of our deceased Classmate, and a copy forwarded to "The New Hampshire" for publication.

Theron A. Thorp,
 Edward D. French,
 Frank H. Bills,
 Memorial Committee.

Clyde H. Swan,
 President.
 H. P. Corson,
 Secretary-Treasurer.

"TO MAKE KNOWLEDGE INCREASINGLY INTERESTING"

"Undertaken in the belief that under the leadership of a great university knowledge can be made increasingly interesting," the first issue of "New York, a Four-Page Weekly of Ideas for the General Reader," has gone on sale. The publication is sponsored by New York university and edited by Harold de Wolf Fuller, professor in the department of journalism and former editor of the Nation.

"New York university takes the lead in this enterprise, but will count upon the assistance of many in other faculties and upon authoritative opinion generally."

Outstanding in the journal this week is an article by Lewis H. Haney, director of the bureau of business research of New York university, on "The Business Event of the Week."

PHI MU SORORITY HOLDS SPRING DANCE

Isle Of Blues Orchestra Plays At Annual Formal Dance Of Phi Mu Held In Thompson Hall Gym Saturday

The Phi Mu Sorority gave its annual Spring Formal in Thompson hall gymnasium Saturday evening. The hall was decorated with evergreen, palms, and rose and white crepe paper. A large illuminated badge of the Sorority was hung at the front of the hall over the stage on which the orchestra was seated. The music was furnished by the "Isle of Blues." Leather bill folds were given as favors. Delegates from other sororities were Gladys Slocum, Alpha Chi Omega; Isabelle Africa, Alpha Xi Delta; Helen Brady, Delta Kappa and Margaret Dicey, Sigma Omicron.

The chaperones were Mr. and Mrs. Frank Camm, Mr. and Mrs. J. C. Kendall, Mr. and Mrs. A. W. Johnson and Mr. and Mrs. Paul Sweet.

Other guests were: The Misses Hoitt and Hale from Beta Beta chapter of Phi Mu at Colby and Gyneth Prew, Alpha Omicron Pi of Jackson; Victor Sanborn, '27; Larry Barclay, ex-'28; Edwin Vatter, '27; Frederick Christopher Smalley, '27; Brice Roberts, '27; Robert Phelps, '27; Charles Russell, '28; Donald McLeod, '27; Norman Kincaid, '29; Seales Dearington, '27; Robert Leitch, '30; John Hatch, '29; Hubert Hawkins, '28; George Bridge, '28; George Webb, '28; William Prince, '27; Ira Stockwell, '26; Roger St. Clair, '28; Robert Phipps, '30; Edward Hunt, '29; Clarence LeBrun of Salem, John Small, '30; Paul Chandler of Salem; Lawrence Cuddire, '28; Sheldon Brownson, '30; Paul Johnson, '29; John Rogers, '28; Robert Jennings, '29; Harry Ashe, '28.

4-H DELEGATES TO ATTEND WASHINGTON CONVENTION

Mr. F. S. Prince, crop specialist of the experiment station, will attend the International Soils Congress to be held next week at Washington, D. C.

Mr. C. B. Wadleigh, state 4-H club leader will go with a party of 4-H club delegates to attend the National 4-H club camp at Washington, June 16 to 23. The outstanding club members who have been chosen to make the trip are: Laban Todd, New Boston; Grace Sargent, Henniker; Arvilla Bedford, Piermont; and Leonard Smith of Kelleyville. The expenses of two of the delegates are being paid for by the Boston and Maine Railroad as part of its campaign for the development of agriculture in New Hampshire. The expenses of the other two club members will be paid for by the New Hampshire Farm Bureau Federation.

BRADLEY TO LEAD MEN'S GLEE CLUB

Election Of Officers
 Completes Season's Work

Successful Program Of Five Concerts Carried Out—Entered In Intercollegiate Competition In Jordan Hall For Next Year

At the elections of the men's Glee Club held Wednesday June 1, C. Stewart Bradley, '28 was made president, Paul Blaisdell, '29, secretary, Robert Schiller, '29, treasurer, Edward Crawford, '28, Librarian and Norman Weeks, '28, Ass't. Librarian. The annual election took place at the end of a successful season during which time the club gave five concerts in and around Durham.

Bradley is a member of Theta Upsilon Omega fraternity and has been technical assistant in the Mask and Dagger presentations for the past year. Blaisdell, who was elected secretary, is a member of Delta Sigma Chi and Mask and Dagger. He also has been active in the literary field having been advertising manager of the GOLDEN BULL this year and Sporting Editor of THE NEW HAMPSHIRE for the past term. Robert Schiller, treasurer, belongs to the Theta Upsilon Omega fraternity and has been active on THE NEW HAMPSHIRE staff. Edward Crawford is a member of Phi Mu Delta and has been with the Glee Club for the last two years. Norman Weeks is a Theta Chi and captain-elect of the Cross Country team for next fall.

The Glee Club opened up its activities in December with the singing of the Christmas Carols at the Community Church, an annual concert in connection with the Christmas

Week program. During the winter term concerts were given at the Opera House in Dover, Freeman's Hall, Portsmouth and the Town Hall, Exeter. These trips were part of the yearly program which was drawn up by Prof. Robert Manton of the Music department, Director of the Glee Club.

The spring term was featured by the final concert of the combined Glee Clubs in the Men's Gymnasium with a number of artists including Miss Rose Zulalian of Boston, contralto; Mr. Roland E. Partridge, tenor, instructor in the language department of the university; Mrs. Vernon L. Mangun, soprano and Mr. Harris S. Shaw, A. A. G. O., accompanist. The University Glee Club has been entered in the intercollegiate competition in Jordan Hall, Boston for next year. The winners of this competition will go to New York for the finals with the larger colleges of the country.

MASK AND DAGGER'S "SEVEN CHANCES"

"Jimmie Shannon" looks over six of his seven chances in dramatic club third time on evening of June 18 as part of Commencement program. Left to right: John Fleming, '29; Elisabeth Bauer, '29; Celia Williams, '29; Charlotte Hirschner, '29; Ruth Stolworthy, '30; Florence Weast, '30; Eleanor Harris, '29.

FRESHMEN WIN OVER COBURN AND MAINE

Wildcat Yearling Baseball Team Defeats Coburn at Waterville, 5 to 3, and Maine Frosh, 11 to 10, at Orono

The freshman baseball team won two hard fought games on last Friday and Saturday, when the Wildcat yearlings defeated Coburn Classical at Waterville, 5 to 3, in the first game of the two-day trip, while the Maine frosh dropped the second contest to the Blue and White cubs, 11 to 10, on Saturday. Winkler, who pitched a strong game for the New Hampshire freshmen against Coburn on Friday, won the second battle with Maine when Smart weakened in a Maine batting rally in the fifth game, causing Coach Nicora to send Winkler in against the Pine Tree State yearlings.

The Wildcat yearlings played their best brand of baseball this year with Coburn, who had previously defeated the freshmen here earlier in the week. Dawson, who played a fine game at first, drove in four of the yearlings' runs with two clean singles to center-field with men on bases.

The Wildcat cubs fought an up-hill battle against the Maine yearlings who scored first in the opening inning and then fell on Smart for five straight hits for four runs. Winkler was rushed into the mound but the damage was done, the latter allowing two more runs to come in. The yearlings were behind 7 to 1 at the start of the seventh and had collected only two hits, but in this frame they counted five times. New Hampshire brought up the count to 10 to 9, when Taylor knocked a home run with two men on bases.

Cullinan, flashy shortstop for the yearlings, drove in the tying and winning runs in the first of the ninth with a hard hit blow to centerfield

which rolled for a home run, giving the Blue and White a victory over the old-time rivals.

The yearling nine closes its season here Saturday with the Wentworth Institute team as its opponent on Brackett Field.

FRESHMAN GIRLS CAPTURE INTER-CLASS TRACK MEET

The girls' track meet held Friday afternoon on the girls' field was won by the freshmen with 39 points. The juniors placed second with 26 points and the sophomores third with 15 points.

The summary:

Hurdles: M. Pollard, first; B. Calman, '30, second; M. Pike, '30, third. Time, 10 2-5 inches.

Fifty yard dash: M. Pollard, '28, first; M. Lord, '30, second; D. Jones, '30, third.

Seventy-five yard dash: M. Pike, '30, first; M. Lord, '30, second; D. Jones, '30, third.

High jump: Tie between Mary Timmins, '29, and M. Pike, '30; third, V. Durgin, '30. Height, 4 ft., 3 inches.

Broad jump: M. Pollard, '28, first; M. Lord, '30, second; D. Little, '28, third. Distance, 13 ft., 11 inches.

Baseball throw: M. Timmins, '29, first; R. Adams, '30, second; M. Swasey, '28, third. Distance, 156 ft., 6 inches.

Discus: Won by L. Ekstrom, '29; second, R. Adams, '30; third, G. Lord, '28. Distance, 49 ft., 5 inches.

Javelin: Won by G. Lord, '28; second, Marion Smith, '30; third, L. Ekstrom, '29. Distance, 53 ft.

One hundred yard Relay: Won by the freshman team which was composed of B. Calman, M. Lord, M. Pike, D. Jones. The juniors took second with the following team: H. Reid, H. Abbott, M. Swasey, M. Pollard.

VARSITY MEETS BROWN AND CONNECTICUT (Continued from Page 1)

Capt. Walter Ramsey of Winthrop, Mass., shortstop; Clarence Gustafson of Philadelphia, Pa., left field; Ralph Jenkins of Lowell, Mass., center field; and Willard Hicks of Sanbornville, right field. Hicks is a regular backstop but has been used in the center

garden because of a scarcity of hard hitting outfielders, as have Slayton and Evans. William Clement of Laconia is another pitcher who has seen considerable action with the varsity lately and he will in all likelihood be taken on the trip over the week-end.

The Wildcat team has had an in-and-out season throughout, but showed more power at the beginning of the spring than was evidenced by later achievements. The first notable victory came when the New Hampshire team beat Tufts here by a 4-1 score shortly after the Jumbos had beaten Yale and were rated as the best team that the Medford College had turned out in a number of years. Shortly after this, however, loose fielding lost both the Harvard and Dartmouth games by close score, although the Wildcats outthit both of these nine.

The team will elect a captain for the 1928 season after it returns from the trip at the end of the week. Walter Ramsey, captain of the present team and a member of the junior class, will be eligible for re-election. Other juniors who may be candidates are Ray Hoyt, third baseman, Slayton and Evans, pitchers, and Hatch, second base. All are playing their second year on the varsity.

TENNIS TEAMS WINS MATCH (Continued from Page 1)

at four all. Nearly every game went to several deuces, especially those on Bowles' serve. With the count four all Bowles broke through to win Stevens' serve, and then took his own and the set, 6 to 4.

Symonds, number four, lost the only match which the Wildcats lost. His opponent, Gifford, won the first set quite easily, the score being 6 to 3. Symonds came back to run away with the second set, 6 to 1. The third set was another long deuce set. Symonds, after putting up a game fight, finally lost 6 to 8.

New Hampshire won both the doubles in straight sets. Craig and Roberts defeated Schiller and Golden. They won the first set 6 to 4, the set being nowhere as close as it sounds. In the second set they both got going, and won their last set for New Hampshire 6 to 1. In the last game Craig scored three points on drives which have seldom been equaled, for speed, on the University courts.

Bowles and Brown, who takes the place of Symonds in the doubles, swept their opponents from their feet, winning in 6-1 and 6-2. Their opponents were Gifford and Hubbard. Brown played super tennis at the net, and Bowles won many points through the medium of his chops and over head volleys.

Summary:

Singles—Roberts (NHU) defeated Schiller (T), 7-5, 6-1; Craig (NHU) defeated Golden (T), 6-4, 8-5; Bolles (NHU) defeated Stevens (T), 3-6, 6-3, 6-4; Symonds (NHU) was defeated by Gifford (T), 3-6, 6-4, 8-6.

Doubles—Craig and Roberts (NH) defeated Schiller and Golden (T), 6-4, 6-1; Bolles and Brown (NHU) defeated Gifford and Hubbard (T), 6-1, 6-2.

VARSITY TENNIS MEN RECEIVE LETTERS

Five Stars Of 1927 Season End Their Activities On The Court For New Hampshire

Five varsity tennis players received their letters at the Athletic Association Executive Council meeting held Monday night. The men were: Brice Roberts, Ralph Craig, B. Shapleigh Symonds, Charles Brown and Armand Bowles. All the men are seniors, and with the close of the present season they have concluded their activities on the court for New Hampshire. Of the men receiving the awards only two already held letters in tennis, they were Craig and Bowles. The others earned the "NH" this year.

It is seldom that a varsity athletic team faces the season without a letter man, but that is exactly the situation with which the tennis squad will open the 1928 matches. All the leading players of this year graduate, and new material will be on the court for the Blue and White next spring.

WILDCAT TEAMS FINISH SEASON

Baseball, Track and Tennis Squads Split Even For Year

Baseball Nine Scores Brilliant Victories—Records Broken In Track—

With the close of the spring term of 1927 the University of New Hampshire adds to the pages of her history another season of baseball, track and tennis. It has been a season of ups and downs, marked by brilliant victories as well as bitter defeats. After this last issue of THE NEW HAMPSHIRE has been circulated the varsity and freshmen baseball teams play their final games, the former with Connecticut Aggies and Brown and the latter with Wentworth Institute.

At the present time the varsity baseball nine has practically "split even." It has to their credit victories over Norwich, Tufts, Boston University, Middlebury, New London Submarine Base and Bowdoin, and defeats at the hands of Bates, Dartmouth, Harvard, Massachusetts Aggies, Wesleyan, Tufts and Colby. The squad loses Jenkins and French by graduation, while the remainder of the team remain intact for another year.

The varsity track team has met with nearly the same success. Victories over Boston University and Springfield, and defeats by Maine and Bates divide their season equally. The squad met with fair success in the New England. Toolin was high scorer of the New Hampshire men, Noyes broke Nightingale's record in the half mile run, while Toolin and Hubbard both broke their own records in the hurdles and discus respectively.

With matches with Bates, Bowdoin, Colby and Clark cancelled owing to rain, the varsity tennis team figured in but three meets. In these they won over Tufts, tied Boston University and lost to Dartmouth. Bowles, Craig, Symonds, Brown and Roberts are all lost by graduation.

With a game with Wentworth Institute yet to be played the freshman baseball squad have earned victories over Tilton, Proctor, Boston University Frosh, Coburn Classical, and Maine Frosh, while they have been defeated by Clark School, Brown Frosh and Coburn Classical.

The freshman track team won over Maine and M. I. T., and met victory with Dartmouth.

Thus the season nears an end, with fair success in all departments. The Blue and White loses many good men by graduation, while others stay to don the Wildcat uniform next year.

CIGARS, CIGARETTES, CANDY AND NEWSPAPERS

Camel is the modern favorite

MODERN smokers make known their preference. And they call for Camels. Never in any age was there a smoking favorite like Camel is today. Camels understand every mood of the modern smoker. Camel mildness and smoothness are supreme with the critical taste of present-day people.

A purchase of Camels brings you the choicest Turkish and Domestic tobaccos. Blended by skill into the world's most popular

smoke, and the best. Quality unapproached, is the distinguishing mark of Camel.

No matter what the price, there is no better cigarette than Camels. Smoke them as frequently as you please. You will never be left with a cigaretty after-taste. Camels aren't made that way. That is why modern smokers everywhere demand them. That is why this age has discovered the tobacco phrase, "Have a Camel!"

R. J. REYNOLDS TOBACCO COMPANY, WINSTON-SALEM, N. C.
